Graduation Requirements Summary

Minimum Total Hours	Minimum Major Requirements Hours	College & Program Requirements Hours	Carolina Core Hours	Minimum Institutional GPA
122	27	52-64	31-43	2.800

- Regardless of individual course grades, students must maintain a minimum 3.65 cumulative GPA at the end of their first year (fall, spring, summer term) followed by a 3.500 at the end of the third semester.
- Some colleges require a minimum GPA for major courses. Courses indicated in this column are included in the major GPA for this program of study.
- Students who do not place into MATH 122 or MATH 141 will be required to take a summer course in the summer following their first year.
- MGSC 290 is a progression requirement and must be taken within the first year in the Darla Moore School of Business. Either ECON 221 or 222 must be taken during the first year. Whichever remains incomplete at the end of the first year, will be taken during the third semester.
- International Business: Global Business majors are required to complete four 300-level or higher courses. Specific languages may be required based on the study location and partner university. The Foreign Language Placement test will determine at which level the student will begin. Students may fulfill minor or cognate requirements through completion of the foreign language requirement.
- The [Carolina Core](#) provides the common core of knowledge, skill and academic experience for all Carolina undergraduate students.
- International Business: Global Business majors are required to study abroad in the 4th (University of Mannheim, in Mannheim, Germany), 6th (ESSEC University in Singapore), and 7th (FGV University in Rio de Janeiro, Brazil) semesters. Course selection is subject to availability at partner school with advisor approval.
- International Business Major courses:
 - Thematic Courses** (3 hours): IBUS 422, 423, 424, 425, 426, 427, 428, 429, 431, 433, 434, 435, 519, 521

 - Regional Courses** (6 hours): two courses with focus on the specific study abroad region
- International Business: Global Business majors are required to complete a second functional major. Specific functional majors may be required based on the study location and partner university. Based on second major and entering language ability, total program hours may vary and students may exceed 15 hours some semesters and/or need summer coursework. However, many students bring in AP/IB credit to satisfy some course requirements.
- The total number of elective hours required depends on the number of hours used to fill other degree requirements, including the minor or cognate, multiple business majors or the business analytics concentration. Options to meet this requirement may include: pre-professional coursework, an accelerated master's program (maximum of 4 courses if not counted elsewhere in the degree), lower-level language courses (100-200 level in addition to Carolina Core requirements), electives, or a second business major. Consultation with your academic advisor is required to determine appropriate use of the electives.
