Winter Session 2018/2019 Comparison

Counting Student by Class Year (Minus Duplicate Enrollments)

Enrollments Based on Credit Hours (Spring '18 v. '19)

Summer Transfer Program Pilot Summer 2019

- Collaboration of multiple academic & administrative offices in a design challenge project.
- Intend to increase academic success and retention of transfer students while fostering a connection between these students and the campus.
- Partnerships with HRSM, UAC, Admissions, Transfer Student Association, Student Success Center
- Students will take 2 summer classes together as a cohort, as well as attend the first transfer orientation together
- Fall semester activities and peer mentorship opportunities are being planned

On **Your** Time

Accelerated Study Plans »

Student Name	Hunter Felix
Student USC ID	A46024888
Student Email Address	hfelix@email.sc.edu
Current Major(s)	Biological Sciences
Please select the Accelerated Study Plan you are interested in pursuing	Biological Sciences, B.S
To help inform your First-Year Advisor, please explain why you are interested in graduating in an accelerated timeframe.	I believe that I have the AP and dual-enrollment college credit to complete my required classes for my freshman year. I intend to move on to medical school after my undergraduate studies so cutting my graduation time down to three years would be very helpful.
Disclaimer: Please select the following to ensure you understand the criteria for graduating in three years.	<p>I understand I will be required to enroll in Summer and/or Winter session courses.</p> <p>I understand I will build a 3-year study plan with my First-Year Advisor. I must abide by this plan in order to receive priority registration.</p> <p>I understand I will complete an Accelerated Study Plan "Agreement" with my First-Year Advisor</p>

ACCELERATED STUDY PLANS

Accelerated Study Plans provide students a pathway to complete an undergraduate degree in less time. If you pursue a degree on an accelerated schedule, you will be assigned an academic advisor in your first semester to assist you in taking full advantage of fall, spring, and summer course offerings.

BENEFITS OF GRADUATING EARLY:

- Accumulate less debt
- Enter the job market sooner
- Begin earning a salary
- Move on to graduate school, if desired

ACCELERATED STUDY PLANS INCLUDE:

- Online course offerings
- Robust summer study
- Tailored academic advising
- Accelerated timelines toward graduation

See if an Accelerated Study Plan will work for you at: bit.ly/USCadvising
