BANNER 9 WALKTHROUGH & FAQ

UAC SHAREPOINT – BANNER 9 SITE

On February 11, 2024, the University of South Carolina will finalize the transition to Banner 9. This transition has been an extensive process, starting with its initial phase in 2019. As we approach the completion of this project, it is crucial for academic advisors to be informed about the changes that will occur in Banner/Self Service Carolina, both aesthetically and functionally.

**** This is a live resource and will be updated as needed *****

What's the Difference Between Banner 8 and Banner 9?

Banner 8 and Banner 9 are both versions of a comprehensive software suite developed by [Ellucian](#), designed primarily for higher education institutions. These systems are widely used for a variety of administrative functions on our campus such as student information and financial aid.

Here are the key differences between Banner 8 (also known as Banner INB) and Banner 9:

- **User Interface:** The most noticeable difference is in the user interface. Banner 9 features a more modern, web-based interface that is more
